Re: *In re National Prescription Opiate Litigation*, MDL No. 2804

Dear Counsel:

I write to provide Allergan Finance's weekly document production status report, as directed by Special Master Cohen.

Production this week: Today, Allergan Finance is making a substantial production. The production includes 17,638 documents, including more than 280,164 pages. Allergan Finance is also producing the fourth installment of its privilege log. This production contains custodial documents from, among others, the following custodians:

- Stephen Gallagher: 3,722 documents
- Andrew Boyer: 1,504 documents

IQVIA Data: On August 10, 2018, Allergan Finance produced data from IQVIA's XPOVENT and XPOVENT PLANTRAK products related to prescriptions of opioids from 1997 to the present. *See ALLERGAN_MDL_02485011*. As stated in the Statement of Work we are producing today (*ALLERGAN_MDL_02949563*), this data was purchased by Allergan, for the first time, on May 15, 2018. Allergan Finance and its predecessor companies did not have this data prior to this purchase.

Transactional data: Next week, Allergan Finance anticipates making a substantial production of chargeback and rebate data.

Production to date: Through today's production, Allergan Finance has produced more than 429,600 documents, including more than 3,228,450 pages.
